Mission Action Profile (MAP) in Bolivia

"...gathering together is a way for us all to be united as one, wherever it is that we find ourselves." (Mennonite Church in Bolivia, president Ona Saucedo)

Children and Community are two themes that emerge frequently for the Mennonite Church in Bolivia. The Bolivian Mennonite Church understands the need to have everyone know they are part of the faith community. In this church, leaders are preparing today's youth and children to be tomorrow's leaders.

Mennonite Church Canada Witness partners directly with the *Iglesia Evangélica Menonita de Bolivia* (Mennonite Church in Bolivia) as they seek to reach children and communities for Christ in their cultural context. Together we:

- **Resource pastors** in church planting projects
- Gather leaders for **critical times of learning**, sharing and planning
- Reach out to children and youth through youth retreats and **kids' ministries**
- **Support PROJUSE** – an exciting voluntary service program that allows young adults from Bolivia and other Latin American countries to experience a year of service and Christian witness
- Teach from an **Anabaptist perspective**

Mennonite Church Canada Witness is excited about how our partner, the Mennonite Church in Bolivia, is **able to convert a \$6300 investment into a ministry that touches 8 churches and their communities.** People are being reached and transformed!

Mennonite Church Canada Witness seeks your partnership in our sharing with the Bolivian church.

*You are invited to send your contributions to Mennonite Church Canada Witness, 600 Shaftesbury Blvd, Winnipeg, MB R3P 0M4. Please note **"Bolivia"** with your cheques to MC Canada Witness.*
