## **Mission Action Profile (MAP) in South Korea**

- A growing number of Korean Christians long for an authentic Church that is not dominated by hierarchy and tradition. Despite the presence of many churches in South Korea, many are drawn to Anabaptism because of their search for discipleship, peace and Christian community.
- Mennonite Church Canada Witness works with Anabaptist leaders towards the emergence of an Anabaptist movement. Our vision in Korea is to call forth Anabaptist Christians to serve as ambassadors of God's mission of peacemaking, discipleship, and Christian community.
