TASK FORCE COMPLETES ITS WORK WITH REPORT

A big thank you to Task Force members for their faithful dedication to the task of trying to discover how Mennonite Women Canada (MW Canada) can ***Bridge the Gap and Enlarge the Tent***. And 1131 of you took time to complete the Survey. Thank you very much.

This Report represents a milestone in our journey to discern the future of our sisterhood. As an Executive we are encouraged by the many positive comments of respondents and Task Force members. We appreciate the recommendations and recognize the challenges. To read a summary of the Report, the Recommendations and an Executive response including motions, please visit <http://www.mennonitechurch.ca/mwc/>.

NOTICE OF CONSTITUTIONAL CHANGES

At our March Executive meetings we identified two main actions that should be addressed. One is the definition of membership. The second is how to ensure regional representation on the Executive. Recommendations on both are provided below.

Definition of membership. At present Membership is defined in the Constitution (2002) as follows: "All groups affiliated with a Provincial Women's Conference are members". Two points. First, Provincial Women's Conferences in British Columbia (BC) and Manitoba (MB) have been dissolved, though in BC a 'women's ministry' has been established by Mennonite Church BC. Second, the definition assumes women need to be part of a "women's group" to be a member. We honour all existing and future "women's groups", but we also want to be open to the participation of women whether or not connected to a formal group.

Representation on Executive. At present we are missing provincial/regional representatives on the

Task Force Members: (l-r) Mylene Melancon, Liz Koop, Justina Heese, Waltrude Gortzen, Marguerite Jack, Irene Bartel, Ruby Harder. Not pictured: Pamela Klassen.

Executive. We recommend that the Executive be empowered to appoint representatives from areas when there are no regional women's organizations or Women's Ministries.

*Please encourage women who you know will be at the Mennonite Church Canada Assembly in Calgary, Alberta (June 29 - July 3) to register for our **Annual Meeting and Workshop on July 1**. At that time we will discuss Task Force findings and new initiatives. We invite all women to be a part of this exciting time of creative discernment.*
