

## Faith & Life Resources

A Division of Mennonite Publishing Network

**FREE sample materials available:** *Celebrate the Psalms! Our God is Awesome!* is a joy-filled, inspiring VBS curriculum written by a team of Mennonite Bible educators, designed to strengthen each participant's awareness of and relationship with God.

*Celebrate the Psalms!* guides children to know God in all situations. Like David, children will experience and celebrate God's presence in their worship and everyday life. Each day's plan includes group worship with music (CD included), engaging dramas to introduce the daily themes and texts, and fun "Celebration Station" activities. A personal "Celebration Journal" guides each child through the entire book of Psalms and provides a lasting keepsake.

Encourage your congregation to purchase these Mennonite materials in 2005, and use its rich resources to nurture deeper faith in your congregation during VBS, a church-wide retreat, or other special events. Invite neighbors or churches from other denominations to join you and share the joy!

Find a 5-day overview with Bible themes and texts, a list of "Celebration Station" activities, FREE sample sessions, order information and more at [www.mph.org/vbs](http://www.mph.org/vbs).

Circulate the survey to all who might be able to offer insight to improve *Leader*.
