Celebrate the Psalms! Our God is Awesome!

"Celebrate the Psalms brings the Psalms to life, and is packed with creative ideas. Children will be actively engaged... I can hardly wait for summer!"

— Sandi Hannigan
Minister of Christian Education, Ontario

The Psalms represent every possible human emotion and can provide expression to the feelings experienced by children – joy, trust, fear, sorrow, and gratitude. This flexible five-day Vacation Bible School curriculum guides children to know God in all situations. Like David, children will experience and celebrate God's presence in their worship and everyday life. Each day's plan includes worship, music, dramas and fun "Celebration Station" activities. For age 4 through grade 8. See order form on other side.

Box includes:

- Two copies of all leader resources
- One copy of each student resource
- Promotional and closing program helps
- CD with all worship music, in two options: vocal and accompaniment, or accompaniment only
