Re: Register now for Charlotte 2005!

The MC Canada Assembly in Charlotte, North Carolina is still several months away, but registrations are already coming in thick and fast!

Paper registration forms were sent to all churches in early January. We have received a few back, and a number of delegates have registered online. **Although the early registration deadline is not until April 28th, hotels are booking up fast. Some hotels are already sold out. Please select your delegates and have them register as soon as possible to ensure that they have a choice of lodging.**

You must register to receive a confirmation number which will allow you to book a hotel room at the assembly rates. You will find more detailed instructions for both paper and online registration in the registration forms that were mailed to you in January, or online at www.mennonitechurch.ca/events/charlotte. This web page also has other information which you and your delegates will find helpful.

Delegate certificates were also included in the envelope you received with the registration forms. These certificates should be returned to our office by June 1st. **The delegate certificate is used to verify the names of the delegates from your church. It does not act as a registration form. All delegates must still complete and return a registration form or register online.**

If you have any questions about the registration process, please call Andrew Kauffman at Mennonite Church USA Convention Planning. You may reach him at 574.523.3054 or at AndrewK@mennoniteusa.org. If you have questions about the delegate certificates, please call Karen Peters in the MC Canada office. You may reach her at 1.866.888.6785 or at kpeters@mennonitechurch.ca.

I look forward to meeting your delegates in Charlotte!
