### **Dear Pastor/Minister and Staff**

The CMU Bookstore has a new face. My name is N. Raúl Bogoya and I am the new CMU bookstore manager. I love books and in the past 6 months I have been enjoying getting to know young people at CMU (Canadian Mennonite University) as well as Pastors, Ministers and Staff from our churches and Institutions.

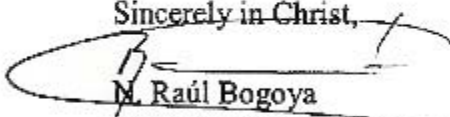

I have been trying to make some changes that will allow us to serve our Church better in general. Some of the changes are still to come: a new and bigger location, a wider selection of books, CDs and more. We invite you to contact us and order the books you need and if you are in the Winnipeg area we invite you to come and meet us. We welcome your ideas of how to improve and serve you better.

Our commitment is to have a good selection of theology books for pastors, professors and those people who like to increase their knowledge on the latest waves of theological education.

We have a great selection of books from different publishers such as: Abingdon, The Alban Institute, Augsburg Fortress, Eerdmans, Westminster, Baker Books, Brazos Press and many others.

We will be giving a 10% discount to churches and institutions, when they register on our customer list. Keep in mind, we take special orders if there are books you would like that we don't have in stock.

Sincerely in Christ,

  
N. Raúl Bogoya
