

Worship News: *Sing the Journey* hymnal supplement

Sing the Journey: By now a number of you have purchased copies of *Sing the Journey*, the hymnal supplement that was welcomed so enthusiastically at Charlotte 2005. This is the first of two planned hymnal supplements, the second of which will be called *Sing the Story*, scheduled for publication in 2007. If your congregation is interested in learning to sing the songs in the new book, feel free to contact members of the Hymnal Supplement Committee below for assistance. You're also encouraged to contact your area conference leaders to see if a group of congregations might like to sponsor a day together in which people can learn the new songs and become acquainted with this valuable new worship resource. Copies of this hymnal may be purchased from
