RE: *Der Bote* Every Home Plan subscriptions for 2007

DATE: September 12, 2006

Der Bote is a German-language newspaper, published 24 times per year by Mennonite Church Canada. The subscribers, numbering about 2300, live in North and South America, Germany, Russia and several other European countries. The articles and historical accounts that are published in the paper reflect the diversity of backgrounds and experiences of our readers.

The *Der Bote* Every Home Plan provides the newspaper at a reduced cost to members of Mennonite Church Canada congregations. Those of you who have members currently receiving the newspaper will have received the EHP packet that was sent to your congregation last week. Please follow the guidelines about collecting the subscription money and filling out the forms.

If you did not receive the EHP packet, but do have German-speaking people in your congregation who are interested in receiving *Der Bote*, please contact me at the above address or phone number for ordering information.

For members of churches in BC, Alberta, Saskatchewan and Manitoba, the cost for a subscription to *Der Bote* for 2007 is \$30.00 through the Every Home Plan. For members of Mennonite Church Eastern Canada churches, there is no charge, as MCEC pays for those subscriptions. Donations to *Der Bote* pay the balance of the cost for all subscriptions ordered through the Every Home Plan.

The deadline for ordering subscriptions through the EHP for 2007 is November 13, 2006. Subscriptions run from January to December 2007.

Please pass this information on to interested people in your congregation. Thank you.
