

# Menonite Publishing Network

The publishing ministry of  
Menonite Church USA and  
Menonite Church Canada

**Pass the information, please!** Forward pdfs of the catalogs from Menonite Publishing Network to church leaders. Encourage educators, pastors, committee chairs, and others to seek out resources from Menonite Publishing Network on a regular basis.

**Support future publishing projects:** Donations to the Resource Development Fund of Menonite Publishing Network make affordable resources available to our congregations. This fund helps cover development costs for items such as the *Gather 'Round* Sunday school curriculum, children's story books about Anabaptist faith heroes, the Believers Church Bible commentaries and other resources foundational to our identity and mission. For more information, contact Ron Rempel, [rempe@mph.org](mailto:rempe@mph.org), 1-800-631-6535.

**God With Us Today:** *Devotions for Families* offers families a warm, inviting way to share devotions at home each day. Each devotion includes a brief meditation on a scripture passage, a prayer, and questions that explore how God is reaching out to each of us today. Order

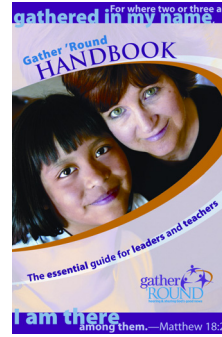

copies for every family in your church.

**New Spanish editions** of *A Menonite Polity for Ministerial Leadership* and *Ministers Manual* are now available. Also available in Spanish are *Confession of Faith in a Menonite Perspective*, and the *Confession of Faith* summary statement pamphlet.

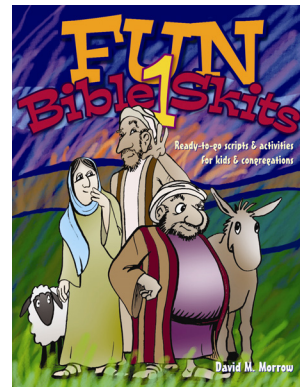

**Bible reading helps coming soon:** Three new Bible reading record booklets, designed to encourage different age groups to read their Bibles regularly, will be available soon. The first, *My Bible Reading Chart*, will be geared to early readers. Included will be 100 favorite verses selected for young children, with fun information and tips to acquaint them with the Bible. A reading record geared to

older children will be called *Dig into the Bible*. Watch for more information coming soon!

**The *Gather 'Round Handbook* is an essential guide for all pastors, leaders, and teachers.** Use the Handbook to help you connect Sunday school with the life of your congregation. Look for detailed Bible outlines for each quarter through August 2010. Use this vital resource to build an integrated approach to worship and education.

**What are you talking about?** Each quarter, the Gather 'Round Talkabout offers a new way to help families talk about faith at home. The Talkabout is a uniquely-designed tabletop resource. It is to be purchased for all families with children in Sunday school, and is also recommended for other church members and leaders. The Fall 2006 Talkabout, currently in use, offers content related to the content of the weekly Sunday school sessions. The Winter 2006-2007 Talkabout—designed as a page-a-day calendar—includes daily content which is suitable for use during the Advent season, and beyond. Be sure to take time to inform families about the new Talkabout each quarter, and remind them of its special connection to Sunday school learning. Order extra Talkabouts to have on hand for visitors, or to share in outreach.
