The Gather 'Round Handbook is an essential guide for all pastors, leaders, and teachers and will help you connect Sunday school with the life of your congregation. Look for detailed Bible outlines for each quarter through August 2010. Use this vital resource to build an integrated approach to worship and education.

Talk about it! Find special ways to highlight each new Talkabout with your congregation. The Talkabout is a take-home resource for every family, and the design is unique each quarter. Remind parents that the Talkabout can encourage faith growth, and strengthen connections between church and home. When possible, use the Talkabout at church potlucks, in worship, during all-church events and in home visits. Ask your Christian education team to order extra Talkabouts to have on hand for new or visiting families.

Mennonite VBS 2007: Be Bold! God is With You The new 2007 Vacation Bible School curriculum from Menonite Publishing Network challenges children to put their trust in the steadfast God whose message is always the same: "Do not be afraid, for I am with you."

Each day's worship time introduces a new Bible story through lively drama and singing. Ten interactive "Courage Connection" stations provide hands-on learning and fun to reinforce the theme. Materials are written for age 4 through grade 8. Find Bible texts and more at www.mph.org/vbs, and ask your VBS team to plan now to use Menonite materials.
