FOR PASTORS & CAREGIVERS:

Close to Home pamphlets help Christian caregivers support those dealing with difficult issues. Pamphlets on Pornography, Spouse Abuse, and Eating Disorders are now available. For upcoming titles and samples, see www.mph.org/closetohome.

Connect church and home! Each quarter, Gather 'Round Sunday school curriculum offers a take-home tabletop resource called the Talkabout, designed to help families talk about faith topics together. This winter's Talkabout is a stand-up triangle. During Advent, families will be able to scratch off one "Christmas tree ornament" each day, revealing suggestions for reflecting on the weekly Bible themes! Order one for each family in your church.

Fun Bible Skits 3: Ready-to-go Scripts & Activities for Kids & Congregations: This innovative collection is third in a series of reproducible skits, designed to help a wide variety of ages connect meaningfully with Bible stories. Use the easy-access scripts for worship, kids' clubs or midweek, retreats, and more. Optional activities work well

with primary and middler children.

JUST FOR MEN:

Wrestling with God: Devotional Readings for Men, for individuals or groups, includes 52 brief devotionals based on the biblical stories of men. Each includes suggestions for reflection, discussion or activity. Tell your men's groups to plan ahead to use this new resource.
