Have you heard? **Listen Up! Messages from God** introduces children to 5 prophets from the Hebrew Scriptures: Isaiah, Ezekiel, Jonah, Amos, and Daniel. Through stories, drama, and interactive *Listen Up Links*, children will learn how God's messages still hold true for people today!

No Vacation Bible School? Consider using *Listen Up! Messages from God* for children's midweek, club, or retreat study. Included with the director's materials are full plans for organizing as a 5-day or a 12-week program. Materials are flexible, and work well with a wide age range.

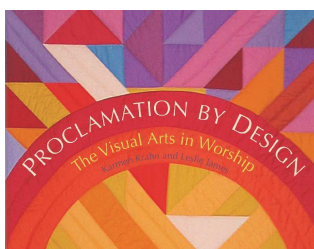

Confront difficult issues:

Close to Home pamphlet series has four new titles on alcoholism, marital discord, anxiety disorders and depression. These unique pamphlets help Christian caregivers support those dealing with difficult personal issues, and are excellent conversation starters for pastoral care, group discussion, and personal awareness. Purchase copies for members and caregivers to give away, and place

more copies in your church for pick-up by anyone who may be seeking help with these topics.

Read sample excerpts and see more titles available at www.mpn.net/closetohome.

Proclamation By Design: The Visual Arts in Worship explains why and how visual art is an indispensable part of telling the Story of God—through practical tips, and stories from real congregations.

New summer resource for youth: In response to customer requests, Gather 'Round Sunday school curriculum now offers a summer supplement for use with Youth and Junior Youth. Written on the Summer 2008 theme "The Things that Make for Peace," the supplement provides connecting and responding ideas, with one reproducible handout for each session. Order on CD, with either the multiage teacher's guide or the *Connect* parent/caregiver guide.

New for worship! The Summer 2008 issue of *Leader* magazine includes worship resources on the Gather 'Round themes. Use these to blend worship with education, even if your church does not hold regular Sunday school during the summer months.

Be sure to purchase the Summer 2008 Talkabout for every household! Everyone can get involved with the theme "The Things that Make for Peace," as they enjoy making origami

cranes and doves and sharing them throughout the summer.
