

**No. 89**

**September 2008**

It is difficult to think of fall when it seems summer has just begun. The September Equipping is sent early in August to assist you in your fall planning.

May you experience joy in anticipation of a new season of growth through the programs you have planned, and may this packet assist in that process.

Alice Pound, *Equipping Coordinator*

**PS:** Please help ensure that these resources reach the right people. Thank you!
