New youth ministry resource: *Beyond Me: Grounding Youth Ministry in God's Story* helps youth workers look beneath programs, understand the consumerism and alienation in postmodern youth culture, and respond with mature understandings of God's call.

New Leader resource options: Beginning with Advent 2008 (Fall 2008 issue), congregations ordering 5 or more copies of *Leader* magazine will be able to access electronic (Word) files of the worship resources.

Use the Faith Markers ministry kit to help your congregation celebrate faith growth in children and youth. As you mark faith milestones together, you will be reminded that children are always in relationship with God, and that they grow towards baptism as they are

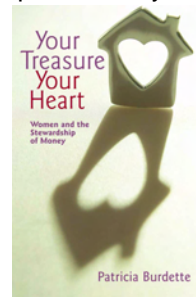

nurtured by a caring faith community.
