Dear Pastor or Coordinator for women's activities in your church

Greetings from the Mennonite Women Canada Task Force!

We are seven women from across Canada who have been given the task to make recommendations for future women's ministries in Mennonite Church Canada congregations. We have been meeting for over a year and have set up a survey which we would like Mennonite women of all ages and backgrounds to complete. We would appreciate your help in this endeavour. We have prepared a two-sided paper survey which we would like you to help us distribute to the women in your church. This survey is easily completed in less than 5 minutes! Can you please print out the enclosed survey, distribute it, collect it and send it back to the Task Force member from your province? The contacts are listed at the end of the survey. The deadline for sending in the completed survey is October 25, 2009.

There are several ways you could do this. One way is to put a survey into every woman's mailbox at church (or hand them out personally) and ask for them to give them back to you. Another way is to complete the survey at a women's group meeting in September or October. Since we are not looking for feedback only from women who belong to a group, but from any and all women in the church, we would prefer that every woman in your congregation receive a survey form and be encouraged to fill it out.

Another option is for women to fill out the survey on-line at the following link:

www.mennonitechurch.ca/tiny/1135.

The link can also be accessed through the blog spot at <http://mennowomencanada.blogspot.com>

We would expect that each woman will take part in this survey only once, either on paper or on-line.

All responses will be kept confidential. If you need more information or have any questions or concerns about this survey please contact any of the Task Force members listed below.

We thank you in advance for your assistance and willingness to help us as we continue to work on the mandate set before us.
