Re: Wall Calendars

It has come to our attention that our 2010 Wall Calendars have mistakenly been published with a few unfortunate errors:

- Ascension Day and Pentecost Sunday were mistakenly placed one week later than they should be. The correct dates are: Ascension Day, Thursday, May 13, 2010; Pentecost, May 23, 2010.
- The Mennonite Church Alberta Annual Delegate Sessions are correctly placed on March 19 – 20, but different dates (Feb 19-20) appear in brackets.
- The Mennonite Church Manitoba Annual Delegate Sessions are correctly placed on Feb. 19 – 20, but the dates in brackets (Feb. 20-21) are incorrect.

Please correct these dates on your calendars, one of which we sent in the last issue of Equipping, and an extra copy which is enclosed in this issue.

Thanks to the alert folks in our congregations who pointed this out to us. Although this calendar was proofed several times, it seems that in this case we were unable to see the trees for the forest.

We apologize for this error and any inconvenience it may have caused.

PS: Planners of some events sometimes have to change dates. We make every attempt to keep our online calendar current (see www.mennonitechurch.ca/tiny/478). If you have an event posted to the church-wide online calendar, you can help keep people up to date about your event by keeping the online calendar information current. Thanks!
