

300 of these toques are reserved for you!

From Nov. 23 – Dec. 23, Mennonite Church Alberta sponsored a series of outdoor billboards and posters sporting peace messages and promoting the web site at www.liveforepeace.org.

Now it's your turn to mobilize your congregation or group of congregations and sponsor a similar campaign in your community. The next sponsor group to do so will receive 300 of these www.liveforepeace.org toques to wear and/or hand out as an Act of Peace.

...more over

Calling for 1,000 Acts Of Peace...

We know you are busy being agents of our God of Peace. Now you can inspire others! Share your stories, big and small and provoke others to “love and good deeds (Hebrews 10:24).

At the 2009 Mennonite Church Canada delegate assembly, congregations decided to engage acts of peace in the public square. Out of that decision has grown a web site at www.liveforepeace.org where everyone is invited to share stories about their Act of Peace and inspire one another under the blog topic “1,000 Acts of Peace.”

There are a number of ways you can act for peace – and share stories about your act of peace:

- Mobilize your congregation or a group of congregations in your community to sponsor an outdoor Live For Peace campaign. (see reverse)
- Register your conscientious objection to military taxation by completing the forms at www.mennonitechurch.ca/tiny/413.
- Advertise www.liveforpeace.org on your outdoor church sign. Take a photo of it and add it to the “1,000 Acts of Peace” blog.
- or... your Act of Peace is limited only by your imagination. Get creative – and then share about it on the blog!

Go to our web site www.liveforpeace.org, then to the 1000 Acts of Peace tab, and record your stories of peace making, peace living, peace building.
