Highlighting Resources for Worship Planners...

Be Alert! God is on the move. Advent and Christmas 2003 Worship Resources

The material that you have usually located in the *Builder* is now found in the magazine *Leader: Equipping the Missional Congregation*. This is a new quarterly magazine from Faith and Life Resources, the first issue being Fall 2003. A free introductory issue was sent to each congregation this summer. Call the Resource Centre, 1-800,665-1954, if you did not receive your copy and we will be happy to get one out to you.

Also check out the worship article 'Guiding Worship-Music, Advent and Mission' by Marlene Kropf. *Leader* magazine will regularly feature articles for worship leaders and planners.

Preparing for Peace Celebrations and Worship in November.

We have a variety of peace education, worship and celebration resources. Give us a call!

SEND US YOUR STUFF...

The Resource Centre is always on the look-out for worship materials being created by congregations. Send us a copy of a special service you have done, a litany you wrote, a celebration you enjoyed. This passing on of resources enables us to share them with other congregations who are looking for ideas and inspiration.
