HUGE savings on *Hymnal Subscription Service* packets:

Since 1997, *Hymnal Subscription Service* (HSS) has provided subscribers with new hymn tunes, texts, dramas, litanies, and other practical worship resources, published in two packets per year. Now, as the service ends, any remaining quantities will be offered at deep discount. The discounted packets, #3-10, were published by HSS from 1998-2001. (Packets 1 and 2 are permanently out of print; packets 11-14 remain at full price.) This offer will continue only while supplies last.

TWO great options for purchasing discounted HSS packets:

1. Purchase all 8 discounted packets (#3-10) together: \$77.99 CAN
(about 70% off original retail price)
2. OR, purchase any discounted packet(s) separately: \$12.49 CAN each
(about 40% off original retail price)

Please note:

Purchasers should be aware that overall value of packets 3-10 has diminished, since the permission rights to photocopy—originally included with purchase of Hymnal Subscription Service—have now expired. Purchasers will assume all responsibility for seeking future permissions, as needed, on any materials they wish to photocopy from the various sources cited.

Nevertheless, these packets still offer a valuable collection of recent music and worship resources, edited by seasoned professionals who have sought to provide the very best in music and worship materials for use in Anabaptist/Mennonite congregations. Many of the selections are by Mennonite artists. Some packets are organized around topical or seasonal themes.

*Packets 11-14 (2002-2003) are also available in limited supply, at the full retail price of \$24.99 US/\$38.99 CAN each, one half of the current annual subscription rate. These packets **do** include photocopy permissions.*
