Guide and empower with *Training Ministry Teams: A Manual for Elders and Deacons.*

Elders or deacons have a vital calling and function in building strong congregations. But they need clear guidelines and training to be effective. This manual provides practical instruction to help pastors and congregational leaders bring clarity and purpose to this key role.

Each of the nine sessions in *Training Ministry Teams* reflects on Jesus' method of training leaders. In "Sent Out with Instructions" lay leaders will learn what they need to minister as deacons and elders. An "As You Go" section contains group assignments designed to move participants to act. Order copies for all participants and leaders. \$12.49 CAN

BACK IN PRINT: The Anabaptist-Mennonite Time Line. By special arrangement and while supplies last, the original *Anabaptist-Mennonite Time Line* is once more available. This classic 36 in. x 96 in. wall resource charts Anabaptist-Mennonite happenings from 1425-1986, with content by Robert Kreider. Events are depicted in the context of wider religious, political, economic, and cultural developments. \$97.99 CAN
