

# KidsPak Refreshed!

Helping families grow in faith, stewardship and mission

## *Still fostering stewardship!*

Since 1997, **KidsPak** has been helping the church grow in stewardship and mission. Refreshed for this year, the four thematic units also include stories, songs, foods, games and crafts from around the world. They will help your children learn and identify with the activities of God's children in other places and cultures.

## *Plus new Advent and Lent projects*

Two of the four thematic units have been created with the special intent of helping your children learn and share during Advent and Lent. We hope you will find the **KidsPak** units to be engaging. They will inspire a sense of mission, and increase your congregation's joy in giving. Your efforts and gifts can make a difference in the lives of others as we align with what God is doing in our world. Look for **KidsPak** at <http://www.mennonitechurch.ca/resources/kidspak/>, and pick up free copies at the MC Canada Assembly in Winkler, July 7 – 11, or place your order through the Resource Centre (1-866-888-6785).

In the last two years alone, **KidsPak** has helped to grow stewardship and mission awareness in 47 congregations of Mennonite Church Canada. And, since 1997, **KidsPak** has raised over \$110,000 for ministry! Praise God!!

Consider using this refreshed **KidsPak** beyond Sunday school, in inter-generational settings like worship, kids' clubs, vacation Bible school, and church retreats.

By uniting cultures, children learn and identify with the activities of other children from different places.
