Worship resources for September 26, 2004 (Publishing Sunday)

September 26, 2004 is Publishing Sunday in the Mennonite Church USA and Mennonite Church Canada calendars. For September 26, you are invited to use the 4-page bulletin insert included in the September issue of *Equipping*. See especially the "Prayer for Publishing Sunday." Other worship resources to consider:

Opening Prayer

Creator God

you whispered the world into being
you sculpted humanity from dust;
you inspired writers to record the beauty in nature
you spoke through artful psalms;
you placed in us creative spirits.

You are the one, Creating God, whom we worship and serve.

In your mystery and might, move our creative spirits. Amen
