Mission Action Profile (MAP)

Hong Kong

Supporting Mennonite churches in the city of Hong Kong

In the heart of a bustling city and significant centre of world commerce, God's love, hope and healing are giving people a new life. Hong Kong is home to three Mennonite congregations: Agape, Hope and Grace Mennonite Churches. Begun in the 1980s through Mennonite mission efforts, these congregations are growing with local leadership and exploring new ways to show God's love to others in their city. Mennonite Church Canada Witness walks alongside these congregations in their efforts to be centres of Christian fellowship and outreach. A newly discerned vision is to establish a new congregation in the Tun Muen district of Hong Kong.

Mennonite Church Canada:

↓ Supports the Mennonite churches with leadership training and Anabaptist resources.

- Andy and Susan Wade (Mennonite Mission Network workers - supported partially by Mennonite Church Canada Witness) serve as key leaders in training, encouraging and developing leadership resources.

↓ Encourages outreach ministries that bring love, healing and hope. Three projects are priorities of the churches in Hong Kong:

- The *Cheung Chau Christian Fellowship* is a ministry to foreign domestic workers on Cheung Chau Island, 45 minutes by ferry from Hong Kong proper.
- Mennonite workers from Indonesia and the Philippines provide much needed encouragement, counseling and fellowship to alienated female domestic workers from those countries.
- Chinese students and their families find places of encouragement and hospitality in the Agape Mennonite Church.
- The churches in Hong Kong also sponsor Chinese students from the Sichuan Province, China, to attend school

This year Mennonite Church Canada Witness has committed in faith, \$18,000 to the Mennonite churches of Hong Kong and their outreach ministries. Your contribution is significant in our shared faith commitment to this ministry.
