

Transmission Video

Five 10-minute films for students, small groups, leaders—for everyone. FREE!

Why are the Anabaptists growing so fast in Ethiopia?

What do Mennonites and Muslims have to teach us about living peacefully together in Indonesia?

What can we learn about creation care in Latin America?

Who is my neighbour? This video will explore migrations and displacements

Transmission gives voice to young Mennonites, as they discover their contemporaries acting on current issues in various countries around the world. Mennonite Church Canada encourages the use of this Mennonite World Conference endorsed video series. For information on how to support distribution and the production of the remaining two films in the series, contact Mennonite Church Canada.
