ACCOMMODATIONS

Camp Valaqua is set up with 10 cabins, and a lodge building with dorm rooms, and a few private rooms.

We will have gendered sleeping arrangements, one set of cabins will be male, and the other female. We know that gender identity is personal, and if parents/youth sponsors have special instructions for sleeping arrangements please let us know. We will do our best to keep youth groups together, but as there are several small churches that do not have youth groups there will be some groups that are put together.

If your youth does not have a sponsor or parent attending with them, we will connect them with a youth group from their regional church area, and make sure that they are comfortable and know that there are adults around to support them.

Each cabin/dorm room will have an adult in with the youth.

EXTRA COSTS?

- Travel Costs (your travel to the event is not included in the registration fee)
 - If you need travel subsidy please connect with us, and we have some funds to assist those travelling from out of province.
- Calaway Park - \$35.00
 - Youth / Sponsors are asked to choose their offsite activity at registration. In the case of cancellation of the park trip the fee will be fully refunded.
