

Sending – Christ Knits Us Together

Leader: The Lord has heard our prayers and praises.

People: We have been given bread for the journey.

Leader: Go in the company of Jesus, the bread of life,

People: who quenches our thirst and satisfies our hunger.

Leader: Go in the fellowship of the Spirit,

People: who is building us into the body of Christ.

All: We will go in the joy and peace of the One who knits us together.
